A pair of sheriff's deputies had taught him a painful lesson in "respect" in a cell at the town jailhouse, and the Army had been trying to teach him "respect" ever since. But that had been Earth-style respect. He was beginning to feel that perhaps he was learning the true meaning of the word for the first time. True respect could only be earned; it couldn't be extorted. A real leader led by the willingness of his followers, in the way that the people at the fusion complex followed Kath or Adam's children followed him, not by command. The Chironians could turn their backs on each other in the way that people like Howard Kalens would never know, as Colman could on his platoon. These were his kind of people. It was uncanny, but he was starting to feel at home here--something he had never really felt anywhere before in his life..Affixed to the door is a stainless-steel plaque with laser-cut letters:.Regardless of the inconsequential nature or the questionable validity of the triggering offense, an."I agree, I agree," Lechat told them. "But we only know what we know, and we can only do what we can do. Surely doing so is not going to make things any worse. Will you try it?" Before anyone could reply, Colman said, "There might be a way to make it better." Everyone looked at him. He swept his hands around quickly. "There is a way we could get the message out to everybody, all at the same time-to the public, the Military-everyone." He looked around again. The others waited. "Through the Communications Center up in the ship," he said. "Every channel and frequency of the Terran net is concentrated there, including the military network and the emergency bands. We could broadcast from there on all of them simultaneously. You couldn't make much more impact than that." He sat back and looked around again to invite reactions..slams him, rich with the stink of hot metal and motor oil..Everyone I talked to about a job..by fit or fandango..Lechat thought for a while as he continued to eat. He had entertained similar thoughts himself; nevertheless, he was unable to grasp clearly the notion that an advanced culture, even with no defense preoccupations, could function viably with no restriction whatever being placed on consumption. It went against every principle that had been drilled into him throughout his life..created a vast wilderness in her mind, where she enjoyed blissful solitude whenever she required it..And Gaultiz, presumably," Celia said, referring to one of the Mission's senior scientists..Klonk I was born with. You've got to be mad to be Mad-doc?that's what Luki and I used to say..approached Micky. "Do you believe in life after death?".Of course, dear." Geneva poured from a glass pitcher that dripped icy condensation..beneath interlaced boughs that have provided only an occasional brief glimpse of the night sky..aware of the boy himself, and if they can recognize the hunters, they must be able to recognize the boy,.Noah stopped, dismayed. "Which one?".white-and-peach uniform, she was as perky as a parakeet on Dexedrine. Her infectious smile might have.control himself and to leave the grieving for safer times..The terror-polished eyes of the man in the colander can be seen through the pattern of small drain holes..She cracked her hip against the chunky post at the corner of the footboard, fell against the bed, but at.Sirocco wrinkled his lip, showing a glimpse of his moustache. "You can't fool me, Steve. You're ljust keeping your options open until you've scouted out the chances on Chiron. Come on, admit it--you're just itching to get loose in the middle of all those Chironian chicks." The tint, machine-generated Chironians were the ten thousand individuals created through the ten years following the Kuan-yin's arrival, the oldest of whom would be in their late forties. According to the guidelines spelled out in the parental computers, this first generation should have commenced a limited reproduction experiment upon reaching their twenties, and the same again with the second generation-to bring the planned population up to something like twelve thousand. But the Chironians seemed to have had their own ideas, since the population was in fact over one hundred thousand and soaring, and already into its fourth generation. The possible implications were intriguing..No, Curtis. I just think you're too sweet for this world..plastic, leather straps, and elastic belts. Leilani liked to believe that this contraption had a nicely ominous,.lone defender of the castle, ceaselessly prowling the ramparts, at war with the world. But a constant state.Leilani opened the door to her room and switched on the light. Her bed was as neatly made as the ratty.JEAN FALLOWS WAS beginning to hate Chiron, the Chironians, and everything to do with the lawless, godless, alien, hostile place. After twenty years of the familiar day-today and month-to-month routine of life aboard the Mayflower II, she missed the warmth and protectiveness that she had grown to know and yearned to be back amid the sane,

civilized surroundings that she understood. She understood a way of life in which budget and necessity decided priorities of need, in which clear rules set limits of behavior, and where tried and trusted protocols defined role and function-her own as well as everybody else's; she did not understand, or even want to understand, the swirling ocean of anarchy in which she now found herself, in which individuals were expected to flounder helplessly like paper boats tossed in a tempest, with no charted shores, no havens of anchor, and no guiding stars. She had no place in it, and she desired no place in it. Secretly she dreamed of a miracle that would turn the Mayflower li around and embark her on another twenty-year voyage, back to Earth..the motor home is in the shop for an overhaul, and Dr. Doom won't stay in a hotel or motel because he."I was very young. I'm not sure I can remember without checking the records. Room and facilities up there were limited, and the machines moved the first batches down as soon as they got the base fixed up." While Alan Jackson filled the jukebox with a melancholy lament about loneliness, Noah fished the."My mother's a little nuts about all things Hawaiian." "Your last chance to reconsider," Stern said, looking back out from the screen..Colman's top-echelon, part-time mistress was Celia Kalens..she'd not been so confused and sad..holes. For a moment this seemed like mere decoration, and Leilani didn't deduce the function of the holes
