The cord wasn't long enough to allow Celestina to take the telephone handset with her, so she put it down on the nightstand, beside the lamp..Hound shrugged. He didn't choose to tell Losen that people hated him disinterestedly..interminably against the ignition plate before, at last, he was able to insert it. "Should be a boy, because then you'll always have a man around the house."..than the crows. Tumbled on the grass, in fragments: the broken trophy for the prize rose, the symbol of his sinful."Money's no object. I can afford whatever you'd like to charge. And I'd be a diligent student."."I should," Tom agreed, "but the point is this. . ." With the

finesse of a magician, he allowed the salt shaker to slip out of the concealment of his palm, and stood it beside the pepper. "This is also me." He drove his yellow-and-white 1955 Ford Country Squire station wagon. He'd bought the car with some of the last money he earned in the years when he had been able to hold a job, before his ... problem."Come with me," Paul Damascus said at once. "To Bright Beach. It is far away from San Francisco, and he'd never think of looking for you there. Why would he? You've no connection to the place. I've got a house with enough room. You're welcome. And you wouldn't be among strangers." "Peach, raisin, walnut pies," Agnes said, "with regular bottom crust and a chocolate-crackle top crust." "I don't like the old crazy doctor," she said, still drawing. "I wish it was about bunnies on vacation-or maybe a toad learns to drive a car and has adventures." Disbelieving his eyes, Junior reached across his body with his left hand and picked up the quarter. Although it had been lying in his right palm, it was cold. Icy. "Your mother's wise," Paul said. "More than all the owls in the world," the boy agreed. Sunday morning, when Agnes returned from church, Edom and Jacob joined her for lunch. During the afternoon, Jacob helped her bake seven pies for Monday delivery. 'She didn't reach into your thoughts and pluck out the name Rowena. Or Beezil or Feezil.' Junior was less surprised by his sudden assault on Victoria than by the failure of the bottle to break. He was, after all, a new man since his decision on the fire tower, a man of action, who did what was necessary. But the bottle was glass, and he swung forcefully, hard enough that it smacked her forehead with a sound like a mallet cracking against a croquet ball, hard enough to put her out in an instant, maybe even hard enough to kill her, yet the Merlot remained ready to drink. Jacob intended to carry the luggage, and Edom announced that he would carry Barty. The boy, however, insisted on making his own way to the house. Edom's twin, Jacob, who had never held a job, lived in the second apartment. He'd been there since graduating from high school. The wedding reception-big, noisy, and joyous-spread across the three properties without fences. His mother's name was so often mentioned, her presence so strongly felt in all the lives that she had touched, that sometimes it seemed that she was actually there with them. Simon Magusson, lacking family, had left his estate to Tom. This came as a surprise. The sum was so considerable that even though Tom was on a dispensation from his vows, which included his vow of property, he was uncomfortable with his fortune. His comfort was quickly restored by contributing the entire inheritance to Pie Lady Services. They had been brought together by two extraordinary children, by the conviction that Barty and Angel were part of some design of enormous consequence. But more often than not, God weaves patterns that become perceptible to us only over long periods of time, if at all. After the past three eventful years, there were now no weekly miracles, no signs in the earth or sky, no revelations from burning bushes or from more mundane forms of communication. Neither Barty nor Angel revealed any new astonishing talents, and in fact they were as ordinary as any two young prodigies can be, except that he was blind and she served as his eyes upon the world. EACH MOMENTOUS DAY, the work was done in memory of his mother. At Pie Lady Services, always, they sought new recipes and new ways to brighten the corner where they were. Sad symbols of a romance not meant to be, the red rose and the bottle of wine lay on the floor of the foyer. With the corpse gone, no signs of violence remained. If Agnes knew that Jacob had been helping her game, she might never play cards with him again. She would not approve of what he had done. Consequently, his great skill as a card mechanic must be forever his secret. Someone named Bartholomew had adopted Seraphim's son and named the boy after himself Junior applied the patience learned through meditation to the task at hand, and instinctively, he soon evolved a motivating mantra that continuously cycled through his mind while he studied the telephone directories: Find the father, kill the son.
