She had not sewn a stitch since he began..The poem begins with the best known and most cherished love story in the Archipelago, that of Morred and Elfarran. In the third year of his reign, the young king went south to the largest island of the Archipelago, Havnor, to settle disputes among the city-states there. Returning in his "oarless longship," he came to the island Solea and there saw Elfarran, the Islewoman or Lady of Solea, "in the orchards in the spring." He did not continue on to Enlad, but stayed with Elfarran. The Master.Dulse knew better than to ask for explanation. The need to speak such a spell could not come often; the chance of his ever having to use it was very slight. He let the terrible spell sink down in his mind and be hidden and layered over with a thousand useful or beautiful or enlightening mageries and charms, all the lore and rules of Roke, all the wisdom of the books Ard had bequeathed him. Crude, monstrous, useless, it lay in the dark of his mind for sixty years, like the cornerstone of an earlier, forgotten house down in the cellar of a mansion full of lights and treasures and children..Then they were all silent.. "No, seriously," she said. "You thought I was sending in the dark, eh? Since when! That.Earth in her turning to the sun makes the days and nights, but within her there are no days. Medra walked through the night. He was very lame, and could not always keep up the werelight. When it failed he had to stop and sit down and sleep. The sleep was never death, as he thought it was. He woke, always cold, always in pain, always thirsty, and when he could make a glimmer of the light he got to his feet and went on. He never saw Anieb but he knew she was there. He followed her. Sometimes there were great rooms. Sometimes there were pools of motionless water. It was hard to break the stillness of their surface, but he drank from them. He thought he had gone down deeper and deeper for a long time, till he reached the longest of those pools, and after that the way went up again. Sometimes now Anieb followed him. He could say her name, though she did not answer. He could not say the other name, but he could think of the trees; of the roots of the trees. This was the kingdom of the roots of the trees. How far does the forest go? As far as forests go. As long as the lives, as deep as the roots of the trees. As long as leaves cast shadows. There were no shadows here, only the dark, but he went forward, and went forward, until he saw Anieb before him. He saw the flash of her eyes, the cloud of her curling hair. She looked back at him for a moment, and then turned aside and ran lightly down a long, steep slope into darkness.. "Now you," Diamond said to Rose, and she started to do what he had done, but the rock only."I spoke your true name. It's not what I thought it would be. And I don't feel easy about it. As.regret her rash invitation, and I wanted to make things easy for her..pursued him from the east to the west of Enlad in a trail of ruin. We thought the breath he breathed was left from some spell of his own art that we did not understand, like the spell snakes know that keeps their heart beating long after they are dead. Though it seemed terrible to bury a breathing body, yet he was cold, and his blood did not run, and no soul was in him. That was more terrible. So we made ready to bury him. And then, by his grave, his eyes opened. He moved, and spoke. He said, "I have summoned myself again into life, to do what must be done..".Because this kind of fictional fact, like maps of imaginary

Then it is your name," he said. "But maybe not all your name. I think you have another." She lived with Medra in his small house not far from the Net House, though she spent many days with her sister Veil. Ember and Veil had been little children on a farm near Thwil when the raiders came from Wathort. Their mother hid them in a root cellar of the farm and then used her spells to try to defend her husband and brothers, who would not hide but fought the raiders. They were butchered with their cattle. The house and barns were burnt. The little girls stayed in the root cellar that night and the nights after. Neighbors who came at last to bury the rotting bodies found the two children, silent, starving, armed with a mattock and a broken ploughshare, ready to defend the heaps of stones and earth they had piled over their dead. under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired. They held each other tight, hard, silent for a long time. To Diamond it was as if he held his future, his own life, his whole life, in his arms. For a half millennium or longer, men ambitious to work the great spells of magery bound themselves to absolute chastity, enforced by self-cast spells. At the school on Roke, the students lived under this spell of chastity from the time they entered the Great House and, if they became wizards, for the rest of their lives. He spent the whole afternoon in confusion, angry. When Ember came out of the Grove to her leafy bower upstream, he went there, carrying Veil's basket as an excuse. "May I talk to you?" he said.
