No sane attacking force would contemplate taking an objective like that by a direct frontal assault in the center--the lowermost stretch of the trail was too well covered by overlooking slopes, and there would be no way back if the attack bogged down. That was what the enemy commander would have thought anyone would have thought. So what would be the point of tying up lots of men to defend a point that would never be

attacked? According to the book, the correct way to attack the bunker would be along the stream from above or by crossing the stream below and coming down from the spur on the far side. So the other side was concentrating at points above both of the obvious assault routes and setting themselves up to ambush whichever attack should materialize. But in the meantime they were wide open in the middle.. "You're really hi a mood, Rob." .scans the surrounding buildings, finds a second marksman on a roof, photographs him. Back to the. He turned toward the suitcase, his back to me. The hump was artificial, made of something like foam rubber. He unhooked the straps, opened the suitcase, and tossed the hump in. He said something, too soft for me to catch, and lay face down on the couch with his feet toward me. The light from the opened curtain fell on him. His back was scarred, little white lines like scratches grouped around a hole.. "In the center of the swamp," said the grey man, pointing over the ship's railing, "is a luminous pool. At the bottom of the pool is a piece of mirror. Can you be back by lunch?". "Thanks again.". "Like most of us these days, I would say you're probably a little of each. Are you married, uh . . ." (He peeked into Barry's file.) ". . . Barry?". "I've got a car; we're going away.". "Good evening," said Amos. "I'm exploring the ship and I have very little time. I have to be up at four o'clock in the morning. So can you tell me what I must be sure to avoid because it would be so silly and uninteresting that I would learn nothing from it?"
