We're the best place to get for the called publication. And now, your own

time to obtain this specific guide as on the list of compromises has been ready. Benou Tai, En Numan and the Arab of the, i. 203..? ? ? ? ? If thou forsake us, there is none Can stand to us instead of thee..So the prefect carried him up to the Sultan and he said, "I have an advertisement for thee, O my lord." "What is thine advertisement?" asked the Sultan; and the thief said, "I repent and will deliver into thy hand all who are evildoers; and whomsoever I bring not, I will stand in his stead." Quoth the Sultan, "Give him a dress of honour and accept his profession of repentance." So he went down from the presence and returning to his comrades, related to them that which had passed and they confessed his subtlety and gave him that which they had promised him. Then he took the rest of the stolen goods and went up with them to the Sultan. When the latter saw him, he was magnified in his eyes and he commanded that nought should be taken from him. Then, when he went down, [the Sultan's] attention was diverted from him, little by little, till the case was forgotten, and so he saved the booty [for himself]. The folk marvelled at this and the fifteenth officer came forward and said, 'Know that among those who make a trade of knavery are those whom God the Most High taketh on their own evidence against themselves.' 'How so?' asked they; and he said..The folk of the quarter heard him and assembled under the window; and when he was ware of them, he opened the window and said to them, "Are ye not ashamed, O pimps? Every one in his own house doth what he will and none hindereth him; but we drink one poor day and ye assemble and come, cuckoldy varlets that ye are! To-day, wine, and to-morrow [another] matter; and from hour to hour [cometh] relief." So they laughed and dispersed. Then the girl drank till she was intoxicated, when she called to mind her lord and wept, and the old man said to her, "What maketh thee weep, O my lady?" "O elder," replied she, "I am a lover and separated [from him I love]." Quoth he, "O my lady, what is this love?" "And thou," asked she, "hast thou never been in love?" "By Allah, O my lady," answered he, "never in all my life heard I of this thing, nor have I ever known it! Is it of the sons of Adam or of the Jinn?" She laughed and said, "Verily, thou art even as those of whom the poet speaketh, when as he saith ..." And she repeated the following verses: When the night darkened on her, she called him to mind and her heart clave to him and sleep visited her not; and on this wise she abode days and nights, till she sickened and abstained from food. So her lord went in to her and said to her, "O Sitt el Milah, how findest thou thyself?" "O my lord," answered she, "I am dead without recourse and I beseech thee to bring me my shroud, so I may look on it before my death." Therewithal he went out from her, sore concerned for her, and betook himself to a friend of his, a draper, who had been present on the day when the damsel was cried [for sale]. Quoth his friend to him, "Why do I see thee troubled?" And he answered, "Sitt el Milah is at the point of death and these three days she hath neither eaten nor drunken. I questioned her to-day of her case and she said, 'O my lord, buy me a shroud, so I may look on it before my death.'" Quoth the draper, "Methinks nought ails her but that she is enamoured of the young Damascene and I counsel thee to mention his name to her and avouch to her that he hath foregathered with thee on her account and is desirous of coming to thy house, so he may hear somewhat of her singing. If she say, 'I reckon not of him, for there is that to do with me which distracteth me from the Damascene and from other than he,' know that she saith sooth concerning her sickness; but, if she say to thee other than this, acquaint me therewith." The prefect bade carry him to his lodging; but one of those in attendance upon him, by name El Muradi, said to him, "What wilt thou do? This man is clad in rich clothes and on his finger is a ring of gold, the bezel whereof is a ruby of great price; so we will carry him away and slay him and take that which is upon him of raiment [and what not else] and bring it to thee; for that thou wilt not [often] see profit the like thereof, more by token that this fellow is a stranger and there is none to enquire concerning him." Quoth the prefect, "This fellow is a thief and that which he saith is leasing." And Nouredin said, "God forbid that I should be a thief!" But the prefect answered, "Thou liest." So they stripped him of his clothes and taking the ring from his finger, beat him grievously, what while he cried out for succour, but none succoured him, and besought protection, but none protected him. Then said he to them, "O folk, ye are quit of (12) that which ye have taken from me; but now restore me to my lodging." But they answered, saying, "Leave this knavery, O cheat! Thine intent is to sue us for thy clothes on the morrow." "By Allah, the One, the Eternal," exclaimed he, "I will not sue any for them!" But they said, "We can nowise do this." And the prefect bade them carry him to the Tigris and there slay him and cast him into the river..Thy letter reached me; when the words thou wrot'st therein I read, iii. 84..?OF THE ISSUES OF GOOD AND EVIL ACTIONS..? ? ? ? ? ? ? ? ? ? ec. Story of the Barber's Third Brother xxxii.As for that which hath befallen thee, verily, it hath befallen [many] kings before thee and their women have played them false, for all they were greater of puissance than thou, yea, and mightier of kingship and more abounding in troops. If I would, I could relate unto thee, O king, concerning the wiles of women, that whereof I could not make an end all my life long; and indeed, aforetime, in all these my nights that I have passed before thee, I have told thee [many stories and anecdotes] of the artifices of women and of their craft and perfidy; but indeed the things abound on me; (173) wherefore, if it like thee, O king, I will relate unto thee [somewhat] of that which befell kings of old time of the perfidy of their women and of the calamities which overtook them by reason of these latter." "How so?" asked the king. "Tell on." "Harkening and obedience," answered Shehrzad."It hath been told me, O king, that a man once related to a company and spoke as follows: ? ? ? ? ? a. The Adventures of Beloukiya cccclxxxvi.Quoth the cook, 'Nothing will serve but I must slay thee, O fellow; for, if I spare thee, I shall myself be slain.' But Selim said, 'O my brother, I will counsel thee somewhat (74) other than this.' 'What is it?' asked the cook. 'Say and be brief, ere I cut thy throat' And Selim said, '[Do thou suffer me to live and] keep me, that I may be a servant unto thee, and I will work at a craft, of the crafts of the skilled workmen, wherefrom there shall return to thee every day two dinars.' Quoth the cook, 'What is the craft?' and Selim said, 'The cutting [and polishing] of jewels.'As an instance of the extreme looseness with which the book was edited, I may observe that the first four Vols. were published without tables of contents, which were afterwards appended en bloc to the fifth Volume. The state of corruption and incoherence in which the printed Text was placed before the public by the two learned Editors, who were responsible for its production, is such as might well drive a translator to despair: the uncorrected errors of the press would alone fill a volume and the verse especially is so corrupt that one of the most laborious of English Arabic scholars pronounced its translation a hopeless task. I have not, however, in any single instance, allowed myself to be discouraged by the difficulties presented by the condition of the text, but have, to the best of my ability, rendered into English, without abridgment or retrenchment, the whole of the tales, prose and verse, contained in the Breslau Edition, which are not found in those of Calcutta (1839-42) and Boulac. In this somewhat ungrateful task, I have again had the cordial assistance of Captain Burton, who has (as in the case of my "Book of the Thousand Nights and One Night") been kind enough to look over the proofs of my translation and to whom I beg once more to tender my warmest thanks..All this while, Selim lay in shackles and strait prison, and melancholy possessed him by reason of that whereinto he had fallen of that tribulation. Then, when troubles waxed on him and affliction was prolonged, he fell sick of a sore sickness. When the cook saw his plight (and indeed he was like to perish for much

suffering), he loosed him from the shackles and bringing him forth of the prison, committed him to an old woman, who had a nose the bigness of a jug, and bade her tend him and medicine him and serve him and entreat him kindly, so haply he might be made whole of that his sickness. So the old woman took him and carrying him to her lodging, fell to tending him and giving him to eat and drink; and when he was quit of that torment, he recovered from his malady..One day, another of my friends came to me and said 'A neighbour of mine hath invited me to hear [music]. [And he would have me go with him;] but I said, 'I will not foregather with any one.' However, he prevailed upon me [to accompany him]; so we repaired to the place and found there a man, who came to meet us and said, '[Enter.] in the name of God!' Then he pulled out a key and opened the door, whereupon we entered and he locked the door after us. Quoth I, 'We are the first of the folk; but where are their voices?' (128) '[They are] within the house,' answered he. 'This is but a privy door; so be not amazed at the absence of the folk.' And my friend said to me, 'Behold, we are two, and what can they avail to do with us?' [Then he brought us into the house,] and when we entered the saloon, we found it exceeding desolate and repulsive of aspect Quoth my friend, 'We are fallen [into a trap]; but there is no power and no virtue save in God the Most High, the Supreme!' And I said, 'May God not requite thee for me with good!'.?Story of the Unlucky Merchant..Now the king's son was playing in the exercise-ground with the ball and the mall, and the stone lit on his ear and cut it off, whereupon the prince fell down in a swoon. So they enquired who had thrown the stone and [finding that it was Bihkerd,] took him and carried him before the prince, who bade put him to death. Accordingly, they cast the turban from his head and were about to bind his eyes, when the prince looked at him and seeing him cropped of an ear, said to him, 'Except thou wert a lewd fellow, thine ear had not been cut off.' 'Not so, by Allah!' answered Bihkerd. 'Nay, but the story [of the loss] of my ear is thus and thus, and I pardoned him who smote me with an arrow and cut off my ear.' When the prince heard this, he looked in his face and knowing him, cried out and said, 'Art thou not Bihkerd the king?' 'Yes,' answered he, and the prince said to him 'What bringeth thee here?' So he told him all that had betided him and the folk marvelled and extolled the perfection of God the Most High..Therewithal Queen Es Shuhba was moved to delight and said, 'Well done, O Tuhfeh! Let me have more of thy singing.' So she smote the lute and changing the mode, improvised the following verses on the moss-rose:..? ? ? ? f. The Unjust King and the Pilgrim Prince dcxii.Calcutta (1814-18) Text. 183.Meanwhile, they carried the damsel into the Commander of the Faithful and she pleased him; so he assigned her a lodging of the apartments of choice. She abode in the palace, eating not neither drinking and ceasing not from weeping night nor day, till, one night, the Khalif sent for her to his sitting-chamber and said to her, "O Sitt el Milah, be of good heart and cheerful eye, for I will make thy rank higher than [any of] the concubines and thou shall see that which shall rejoice thee." She kissed the earth and wept; whereupon the Khalif called for her lute and bade her sing. So she improvised and sang the following verses, in accordance with that which was in her heart:..? ? ? ? j. King Suleiman Shah and his Sons cccclxxv.6. Isaac of Mosul's Story of Khedijeh and the Khalif El Mamoun xciv.114. El Abbas and the King's Daughter of Baghdad dccccxvi.On the third day I said to myself, "Thou art mad or witless!" For I was going about in quest of a woman who knew me and I knew her not, seeing that indeed she was veiled, [whenas I saw her]. Then I went round about the third day till the hour of afternoon prayer, and sore was my concern and my chagrin, for I knew that there abode to me of my life but [till] the morrow, when the chief of the police would seek me. When it was the time of sundown, I passed through one of the streets, and beheld a woman at a window. Her door was ajar and she was clapping her hands and casting furtive glances at me, as who should say, "Come up by the door." So I went up, without suspicion, and when I entered, she rose and clasped me to her breast I marvelled at her affair and she said to me, "I am she whom thou depositedst with Amin el Hukm." Quoth I to her, "O my sister, I have been going round and round in quest of thee, for indeed thou hast done a deed that will be chronicled in history and hast cast me into slaughter (100) on thine account." "Sayst thou this to me," asked she, "and thou captain of men?" And I answered, "How should I not be troubled, seeing that I am in concern [for an affair] that I turn over and over [in my mind], more by token that I abide my day long going about [searching for thee] and in the night I watch its stars [for wakefulness]?" Quoth she, "Nought shall betide but good, and thou shalt get the better of him."..? ? ? ? A white one, from her sheath of tresses now laid bare And now again concealed in black, luxuriant hair; (256).Then, in his anger, he walled up the door of the granary with clay, and by the ordinance of God the Most High, there came a great rain and descended from the roofs of the house wherein was the wheat [so that the latter rotted]; and needs must the merchant give the porters five hundred dirhems from his purse, so they should carry it forth and cast it without the city, for that the smell of it was noisome. So his friend said to him, 'How often did I tell thee thou hadst no luck in wheat? But thou wouldst not give ear to my speech, and now it behoveth thee to go to the astrologer and question him of thy star.' Accordingly the merchant betook himself to the astrologer and questioned him of his star, and the astrologer said to him, 'Thy star is unpropitious. Put not thy hand to any business, for thou wilt not prosper therein.' However, he paid no heed to the astrologer's words and said in himself, 'If I do my occasion, (103) I am not afraid of aught.' Then he took the other part of his money, after he had spent therefrom three years, and built [therewith] a ship, which he loaded with all that seemed good to him and all that was with him and embarked on the sea, so he might travel..There was once, in the land of Fars, (15) a man who took to wife a woman higher than himself in rank and nobler of lineage, but she had no guardian to preserve her from want. It misliked her to marry one who was beneath her; nevertheless, she married him, because of need, and took of him a bond in writing to the effect that he would still be under her commandment and forbiddance and would nowise gainsay her in word or deed. Now the man was a weaver and he bound himself in writing to pay his wife ten thousand dirhems, [in case he should make default in the condition aforesaid]..? ? ? ? ? ? ? ? aa. The Merchant and the Parrot xiv.? ? ? ? ? How long shall I, in weariness, for this estrangement pine, What while the spies of severance (106) do watch me all the night?? ? ? ? ? d. The Lover's Trick against the Chaste Wife dccccxxx.? ? ? ? ? All things, indeed, that betide to you are fore-ordered of God; Yet still in your deeds is the source to which their fulfilment is due..? ? ? ? ? b. The Second Old Man's Story ii.Now there was with him a youth and he said, "By Allah, I was not with him and indeed it is six months since I entered the city, nor did I set eyes on the stuffs until they were brought hither." Quoth we, "Show us the stuffs." So he carried us to a place wherein was a pit, beside the water-wheel, and digging there, brought out the stolen goods, with not a stitch of them missing. So we took them and carried the keeper to the prefecture, where we stripped him and beat him with palm-rods till he confessed to thefts galore. Now I did this by way of mockery against my comrades, and it succeeded.' (142).Son, The Rich Man and his Wasteful, i. 252..My secret is disclosed, the which I strove to hide, iii. 89..45.
