It could turn out that what we're living in lies on a gradient between some kind of hypersource that feeds mass-energy into our universe, and some kind of hypersink that takes it out again--such as black holes, maybe. If so, then the universe might not be

a closed thermodynamic system at all, in which case the doom prophecies that say it all has to freeze over some day might be garbage because the Second Law only applies to closed systems. In other words we might find we're flame people living in a match factory." Koontz, Dean R. Dean Ray. And as she gazed, she discovered what the children were awaiting as it loomed nearer and more terrifying from afar. The realization tightened her stomach. Even from fifteen years ago... it was she--for she had come with the Mayflower H. She knew then that the Chironians were at war, and that the war would end only when they or those sent to conquer them had been eliminated. And in their first encounter, she had sensed the helplessness of her own kind. She felt it again now, as the final veil of the artist's enigma fell away and revealed, behind the fear and the trepidation, a glimpse of something more powerful and more invincible than all the weapons of the Mayflower II combined. She was staring at her own extinction..Micky looked away from Geneva, because she didn't want to talk about her past. Not here, not now.. "Oh, little mouse, what's wrong with me that I let the child go back there?". truly happy, anywhere, anytime. Geneva said this newfound fragile hopefulness represented progress, and words to reach Laura's cloistered heart, thus providing her comfort.. smile was as subtly expressive as an underlining flourish by a master of restrained calligraphy. "Mr.. Colman shrugged and nodded his head unconsciously in the direction of Bobby and Susie. "They've got heads on their shoulders, they've got confidence in their own thinking, and they trust their own judgments. That's good.".. "Number One Forward Port has surrendered," Oorsden said tightly, taking in another report. "The firing has stopped there. Nickolson is leading his men out, including his reserve. We have no choice.".. "Dumb.".. "I'm sorry, sir. He just went down to the lock.".. must not allow himself to be rattled by the trucker's latest observation.. "Great idea," Colman said and stood up. Anita let her hand slide down his arm to retain a light grip on his little finger. The others drank up, rose one by one, nodded good night to Sam the proprietor, and began moving toward the door in a loose gaggle.. passing-for-nobody-special business. He hasn't given a thought to naming his four-legged companion.. On their arrival, they leaned from Maddock that there was little need for them to have bothered making the arrangements with Sirocco. Border security around Phoenix was disintegrating, with most of the SDs being pulled back to protect the shuttle base, the barracks, and other key points, and the regular troops who were left scattered thinly along the perimeter doing little to interfere with the civilian exodus. A whole platoon of A Company had marched away en masse while their officers could do nothing but watch helplessly, and the depleted remainder had been merged with the remnants of B Company to bring them up to strength. More SDs were disappearing too. The only thing holding D Company together was personal loyalty to Sirocco after his appeal a couple of weeks earlier. There wasn't really anything to prevent Chironian air vehicles from landing inside phoenix, but the Chironians seemed to be allowing Terran rules to self-destruct and were respecting the proclaimed airspace. Maddock indicated the trees beyond the construction site just outside the border, behind which lights were showing and Chironian fliers descending and taking off again in a steady procession. "No need for you to walk very far," he told them. "I can call Kath and have her send a cab over. What's her number?".. "Your comparison is quite invalid," a girl who was with the boy pointed out. "There are ample reasons, verified by universally corroborated experimental results, for postulating that entities possessing the properties ascribed to atoms do indeed exist. Whether or not they are detectable by the senses directly is immaterial. Where are your comparable data?".. stirring the contents of a bubbling soup pot.. The boy watches through the glass door and the windows as the hostess greets the trucker and escorts.. though not as deep as coma. "You wouldn't believe some of the things I can remember," Abdul grunted as they began walking again. "Darned machines... always did just what we told 'em. For a time we thought they were pretty stupid; but it turned out it.. One bottle with an unbroken seal and another, half empty, lay concealed under a yellow sweater. Micky.. "I wouldn't know, but it wouldn't surprise me," Celia answered. "I just know the true story about Howard because.. because..".. self-assurance, her wit, and her indomitable spirit made it hard to think of her as disabled, even now.. Chastened by her near-disastrous misreading of the grandfatherly man's character, Old Yeller proceeds.. "Now you're in a gang with a future.".. "We will if we have to, sir," the captain assured him.. It took Fallows a moment or two to realize what had happened. Then he groaned inwardly as the circumstances came back to him.. "Bonus points," said Leilani. "Your dad must be great.".. "We're listening," Otto replied tonelessly.. "Who are you?" he demanded. The formality had evaporated from his voice. "Are you in authority here? If so, what are your rank and title?".. "Maybe. Who knows? Let's just hope there aren't too many of them in the Army.".. shame arose from the fact that she had spilled her guts this evening. Spilled, gushed, spewed. She'd told.. The bureaucrats who had mismanaged the sprawling politico military machine that had come to dominate the North American continent had been unable or unwilling to recognize his worth and dedication while they heaped honors and favors on Sons of spineless sycophants and generals' blue-eyed protégés groomed to the movie image at West Point, and he felt no compassion for them now as the laser link from Earth brought news of nuclear devastation across the length and breadth of Africa, and of titanic clashes between armies in Central Asia. They were paying for it now, and the fools who had put them in office were paying for their stupidity.. "Tell it to Merrick," Fallows said, making an effort to show the disapproval that he felt. Talking that way betrayed a sloppy attitude toward engineering. Even if they had only three weeks to go, there would still be no excuse not to fix a piece of equipment that needed fixing. The risk of catastrophic failure might have been vanishingly small, but it was present. Good practice lay with reducing possibilities like that to zero. He considered himself a competent engineer, and that meant being meticulous. Walters had a habit of being lax about some things--small things, admittedly, but laxness was still laxness. To be ranked equally irked Fallows. "Log change of watch duty, Horace," he said to the grille on the console. "Officer Fallows.. "Engineering. That's the one you're with, isn't it?".. "Will Kath fix it up for you?".. roof, and her brother in a lonely grave in some Montana forest.. "Our what?".. so incorruptible, they'd rather have their teeth kicked out than betray a client."..
