Heart racing, Tom produced another quarter from a pants pocket. For the benefit of the adults, he performed the proper preparation-a little patter and the ten-finger flimflam-because in magic as in jewelry, every diamond must have the proper setting if it's to glitter impressively..The musician had no talent for deception. His hopping-hen eyes pecked at the nearest painting, at other guests, down at the floor, everywhere but directly at Junior, and a nerve twitched in his left cheek. "Well, I'm very good, you know, at faces, they stick with me, I don't know why. Goodness knows, my memory is otherwise shot.".She appeared to be in her early thirties, perhaps six years older than Junior, but he didn't hold that against her. He wasn't any more prejudiced against older people than he was against people of other races and ethnic origins..Lying on his side in bed, clothed and shod, knees drawn up, arms folded across his chest, hands pressed under his chin, like a precocious fetus dressed and waiting for birth, Junior tried to recall the chain of logic that had led to this long and difficult pursuit of Bartholomew. That chain led three years into the past, however, which to Junior was an eternity, and not all the links were still in place..Mary had a yellow vinyl ball of the type Koko would happily chase all day and, if allowed, chew all night, keeping the house awake with its squeaking. "Want this?" she asked Koko. Koko wanted it, of course, needed it, absolutely had to have it, and leaped into action as Mary pretended to throw the ball..She hung her head, covered her face with her chilled hands, and wondered how her mother could sustain faith in God when such terrible things could happen to

someone as innocent as Phimie..Junior approached the headstone from behind, circled it, and shone the flashlight on the chiseled facts:..Immediately at the thought of regurgitation, his abdominal muscles contracted like those of a laboratory frog zapped by an electric current, and he choked on a rising horror..Agnes meant to stop Maria from turning the eleventh card, but her curiosity was equal to her apprehension..Great anger was apparent in the way that the uneven, red block letters had been drawn on the wall in hard slashes. But the lettering looked like the work of a calm and rational mind compared to what had been done after the three Bartholomews were printed..For Agnes and Barty, one stop remained, where some of the joy of Christmas would always be buried with the husband that she still missed every day and the father that he would never know..The afternoon was winding down, and the lowering sky seemed to be drawn steadily toward the earth by threads of gray light that reeled westward, ever faster, over the horizon's spool. The air smelled like rain waiting to happen.. "I just wanted everyone to come see the spider, that's all. It was a really, really icky interesting bug."..Trembling, she sat beside the bassinet and gazed at her baby with such love that the force of it ought to have rocked him awake..Leaving three of the pats in the container, he carefully placed the fourth on the vinyl-tile floor..Of course, Angel might have been playing around with the talking book. Or, even though she'd left the dolls downstairs, she might have been filling the time until Barty's return by having a nice chat with Miss Pixie and Miss Velveeta. She had other voices, too, for other dolls, and one for a sock puppet named Smelly..The front door was unlocked. This was no longer one house; it had been converted to an apartment building.. "Quitting medicine?" Celestina asked, baffled by his announcement and his upbeat attitude..Lipscomb shifted his gaze from the street below to the source of the rain. "Phimie was not gone long, perhaps a minute-a minute and ten seconds at most-and when she was with us again, it was clear from her condition that the cardiac arrest was most likely secondary to a massive cerebral incident. She was disoriented, paralysis on the right side ... with the distortion of the facial muscles that you saw. Her speech was slurred at first, but then something strange happened. . . .To look entirely like her name, she needed only white wings. He would give her wings: a short flight out the window, into the oak..Clearly touched and intrigued, the magician nevertheless circled the offer in search of reasons to decline, before at last shaking his head sadly. "I doubt that I'm the caliber of person you're looking for, Mrs. Lampion. I wouldn't be entirely a credit to your project."..DOWN SHE WENT, abruptly and hard, with a clatter and thud, her natural grace deserting her in the fall, though she regained it in her posture of collapse..Jacob cooked corn bread, cheese-and-parsley omelettes, and crisp home fries with a dash of onion salt.. "No. The information I gave you came from the coroner's office, which issued the death certificate. But even if I got into St. Mary's records, there wouldn't be a hint of where Catholic Family Services placed this baby."..All these punctures in the wall. Gouges. Slashes. So much rage required to make them..Junior was motivated not by twisted needs, but by rational self interest. Consequently, he opted to load the detective's body into the cramped backseat of the Studebaker with all limbs intact and head attached..A SEVERE THIRST INDICATED to Agnes that she wasn't dead. There would be no thirst in paradise.. "so she's married," Junior said, figuring that maybe Celestina wasn't his heart mate, after all..In his mind, he carried a blueprint of the house more precisely drawn than anything that might have been prepared by an architect. He knew the place to the inch, and he adjusted his pace and all his mental calculations every month to compensate for his steady growth. So many paces from here to there. Every turn and every peculiarity of the floor plan committed indelibly to memory. A journey like this was a complicated mathematical problem, but being a math prodigy, he moved through his home almost as easily as when he had enjoyed sight..He visited the bank in which he maintained a safe-deposit box under the John Pinchbeck identity. He withdrew the twenty thousand in cash and retrieved all the forged documents from the box..He knocked the pepper shaker on its side, and then with a groan put it upright once more..By Friday morning, September 10, little more than forty-eight hours after the shooting, he felt good and was in fine spirits..THE GENEROUS EXPENSE allowance provided by Simon Magusson paid for a three-room suite at a comfortable hotel. One bedroom for Tom Vanadium, one for Celestina and Angel..In fifty years, until Angel, Tom had found no other like himself and now a second in little more than a week. "I can't do what you did.".. "By the way he acted, you'd have sworn that he gave me and Angel shelter in the storm, back then, instead of turning us out to freeze in the snow.".. "You haven't had previous episodes like this?" Parkhurst asked, standing at the bedside with a file folder in his hands, half-lens reading glasses pulled down to the tip of his nose..The rough massage had only just begun to bring a little relief to Junior's legs when Sparky returned with six stoppered rubber bags full of ice. "This was all the bags they had down at the drugstore."..Arriving home, he hesitated to open the door. He expected to find Vanadium inside..Junior was vigilant. He took note of all those who approached the piano, whether they dropped money in the fishbowl or not..Nolly said, "We've never really had a song of our own, in spite of all the dancing we do. I think this is a good one. But so far, you've only sung it to another man.".. "It's what?" asked the detective, for with the exception of his teeth, he was not a self-improved individual..A surprising number of the women who had been his lovers were recreational drug users, and over the past couple years, he had met several dealers who supplied them. From the least savory of these, he purchased five thousand dollars' worth of cocaine and LSD to establish his credibility, after which he inquired about forged documents..At dawn, he and his mother went down to the sea, to watch the rolling waves filigreed with foam and gilded with the molten gold of morning sun, to see the kiting gulls and to scatter bread that brought the winged multitudes to earth..Choking fumes, blinding soot. A licking heat told him that slithering fire had followed the smoke up the stairs and now coiled perilously close in the murk..Words eluded him again, and he surveyed the coffee shop, as if someone might step forward to speak for him. He realized people were staring, and embarrassment drew a tighter knot in his tongue..At sunset, the boy stood in the backyard, gazing up through the branches of the giant oak as an orange sky darkened to coral, to red, to purple, to indigo..They were married in September of that year, much later than even Grace White's wager date. As Grace's guess had been closer than her daughter's, however, Celestina paid with a month of kitchen duty..This morning he had changed the sheets. Naomi's scent was no longer with him in the bedclothes..His thought had been that Reverend White might find in Agnes, Bright Beach's beloved Pie Lady, a subject who would inspire a sequel to the sermon that had so deeply affected Paul-who was neither a Baptist nor a regular churchgoer-when he had heard it on the radio more than three years ago..No inquiring voice echoed off the passage walls, no accusatory shout. He was alone with the cadaver in this mist-shrouded moment of the metropolitan night-but perhaps not for long..Junior had walked along the big show windows, studying the two White paintings displayed to passersby, appalled by their beauty, when suddenly the door had opened and a gallery employee had invited him to come in. No printed invitation needed, no cool test to pass, no bouncers keeping the gate. Such easy accessibility served as proof, if you needed it, that this was not real art..As though frightened of the gentle certainty in Celestina's eyes, the doctor turned away from he, and toward the window once more..The previous day, Jacob and Edom had

driven back to Bright Beach, to prepare for Barty's arrival. Now they hurried down the back porch steps and across the lawn, as Maria followed the driveway past the house and parked near the detached garage at the rear of the deep property..The apartment had been furnished with only two padded folding chairs and a bare mattress in the living room. The mattress was on the floor, without benefit of a bed frame or box springs..The upper end of the bed was elevated. Otherwise, Agnes would not have been able to see the room, for she was too weak to raise her head from the pillows..Maria looked stricken when she answered the doorbell, for she intuited that a visit, instead of a call, meant the worst..Now came a slight but real risk of being heard inside: He pulled the trigger. The flat steel spring in the lock-release gun caused the pick to jump upward, lodging some of the pins at the shear line. The snap of the hammer against the spring and the click of the pick against the pin tumblers were soft sounds, but anyone near the other side of the door would more likely than not hear them; if she was one room removed, however, the noise would not reach her.. "Not that trains are any better. Look at the Bakersfield crash back in '60. Santa Fe Chief, out of San Francisco, smashed into an oil-tank truck. Seventeen people crushed, burned in a river of fire." Taking her silence for assent, Tom continued: "Your father is gone from here, gone forever, but he still lives in other worlds. This isn't a statement of faith alone. If Albert Einstein were still alive and standing here, he'd tell you that it's true. Your father is with you in many places, and so is Phimie. In many places, she didn't die in childbirth. In some worlds, she was never raped, her life never blighted. But there's an irony in that, isn't there? Because in those worlds, Angel doesn't exist-yet Angel is a miracle and a blessing." He looked up from the city to the woman. "So when you're lying in bed tonight, kept awake by grief, don't think just about what you've lost with your father and Phimie. Think about what you have in this world that you've never known in some others-Angel. Whether God's a Catholic, a Baptist, a Jew, a Muslim, or a quantum mechanic, He gives us compensation for our pain, compensation right here in this world, not just in those parallel to it and not just in some afterlife. Always compensation for the pain ... if we recognize it when we see it." Just as the man turned away, Junior got a glimpse of what he wore under a London Fog raincoat. Between the lapels of the coat: a white shirt with a wing collar, a black bow tie, the suggestion of black-satin lapels like those on a tuxedo jacket..Perhaps Dr. Parkhurst, too, was disturbed by this fascistic and fanatical spew sampling, because he became brusque. "I have a few appointments to keep. By the time I make evening rounds, I expect Mr. Cain to.For breakfast, he avoided sugar. He ate cold roast beef and drank milk laced with a double shot of brandy..nonetheless. The rapist's curse. Healthy, but healthy at the expense of Phimie..Agnes was grateful for the speed with which these arrangements were made, but she was also disturbed. Chan's expeditious management of Barty's case resulted in part from his friendship with Joshua, but an urgency arose, as well, during his examination of the boy, from a suspicion that he remained reluctant to put into words. Dr. Morley Schurr, the oncologist, who had offices in a building near Hoag Hospital, proved to be tall and portly, although otherwise much like Franklin Chan: kind, calm, and confident..Junior found the acclaim gratifying, but the widespread use of his photograph was a high price to pay even for the recognition of his contribution to art. Fortunately, with his bald head and pocked face, he no longer resembled the Enoch Cain for whom the authorities were searching. And they believed that the bandages on his face, at the church, had been merely an exotic disguise. One psychologist even speculated that the bandages had been an expression of the guilt and shame he felt on a subconscious level. Yeah, right.. "So do I," said the visitor, and Junior almost frowned at this peculiar response, wondering what was meant in addition to what was merely said..This colored person's grave, however, was uphill of Naomi's. Over time, as the body decomposed up there, its juices would mix with the soil. When rain saturated the ground, subsurface drainage would carry those juices steadily downslope, until they seeped into Naomi's grave 'let mingled with her remains. This seemed highly inappropriate to Junior..When she closed the front door and turned away from it, Agnes bumped her swollen belly into Joey. His eyebrows shot up, and he put his hands on her distended abdomen, as if she were more fragile than a robin's egg and more valuable than one by Faberge..In each savings account, he deposited five hundred dollars in cash. He tucked twenty thousand in crisp new bills into each safe-deposit box..Repressing a smirk, feigning a respectful solemnity, he dared to glance at Vanadium, but the detective stared into Naomi's grave as though he hadn't heard the mockery-or, having heard it, didn't recognize it for what it was..When he reported for a physical and a reassessment of his draft classification, on Wednesday, December 15, he left the insert in his hitching shoe; however, he limped like old Walter Brennan, the actor, hitching around the ranch in The Real McCoys.. "Miss White," he continued, still facing the window, "not long before you arrived in surgery this morning, your sister died on the table. We hadn't delivered the baby yet, and perhaps couldn't have done so, by cesarean, in time to prevent brain damage, so for both the sake of the mother and child, heroic efforts were made to bring Phimie back and ensure continued circulation to the fetus until we could extract it." We know a dozen different Arthurs now, all of them true. The Shire changed irrevocably even in Bilbos lifetime. Don Quixote went riding out to Argentina and met Jorge Luis Borges there. Plus c'est la meme chose, plus fa change..One of the hardest things that she had ever done was to leave him then, alone in his room, with the hateful something still quietly growing in his eye. She wanted to move the armchair close to his bed and watch over him throughout the night..As home tours went, this one was notably less interesting than most. The accountant appeared to have no secret life, no perverse interests that he hid from the world..In addition to mulling over strategy, Tom had spent a lot of time lately brooding about culpability: his own, not Cain's. By seizing on the name that he heard Cain speak in a dream, by making use of it in this psychological warfare, had he been the architect of the killer's Bartholomew obsession, or if not the architect, then at least an assisting..Vanadium's smile, in that tragically fractured face, might have alarmed most people, but Kathleen found it appealing because of the indestructible spirit it revealed.
