Tom pushed his chair back from the table, got to his feet, and moved toward Celestina..The window gave way an instant before Celestina squeezed off the shot. The man dropped out of sight. She didn't know if she had scored a hit..A pink spot in the center of Victoria's forehead marked the point of impact. Soon it would be an ugly bruise. The skull bone did not appear to have been cratered..Prepared for any contingency, Junior listened to the house until he was certain that he needed the knife for no one else..Agnes could not bear to watch Maria sewing. The light no longer stung, but her new future..Blink, the living room. Turning off Sinatra

halfway through "It Gets Lonely Early." If either of them suspected that she was lying, it was Edom. He looked puzzled, but he didn't pursue the issue. In Losen's service was a man who called himself Hound, because, as he said, he had a nose for witchery. His employment was to sniff Losen's food and drink and garments and women, anything that might be used by enemy wizards against him; and also to inspect his warships. A ship is a fragile thing in a dangerous element, vulnerable to spells and hexes. As soon as Hound came aboard the new galley he scented something. "Well, well," he said, "who's this?" He walked to the helm and put his hand on it. "This is clever," he said. "But who is it? A newcomer, I think." He sniffed appreciatively. "Very clever," he said. His mother, gently pushing Tom to the prime view point at the head of the stairs, seemed unconcerned about her child's venture into the storm. In the main room, on his way toward the front door, Junior saw Celestina White surrounded by adoring fatheads, nattering ninnies, dithering dolts, saps and boneheads, oafs and gawks and simpletons. She was still as gorgeous as her shamelessly beautiful paintings. If the opportunity arose, Junior would have more use for her than for her so called art. His mouth was dry when he said to Angel, "Well, it seems pretty magical to me-that flipped-coin trick." Perhaps, reluctant to admit to herself that she had yearned for him to do everything that he'd done, she had slowly been inflamed by guilt, until she convinced herself that she had, indeed, been raped. Psychotic little bitch. Lined up on the kitchen table were green-grape-and-apple pies. The thick domed crusts, with their deeply fluted edges, were the coppery gold of precious coins. The Church nourished the soul, while the occult nourished the imagination. In Mexico, where physical comforts were often few and hope of a better life in this world was hard won, both the soul and the imagination must be fed if life was to be livable. Instruction in Braille wasn't recommended for three-year-olds, but an exception was made in this case. Agnes arranged to have Barty receive a series of lessons, although she suspected that he'd absorb the system and learn to use it in one or two sessions. "Don't get me started on cyclones!" Edom hurried through the house and out to the station wagon, to fetch the boxes of groceries. Trying to ignore his phantom toe, which itched furiously, he searched the apartment. He proceeded carefully, determined not to shoot himself in the foot accidentally this time. Neddy's face didn't appear to be as pale as it had been earlier. An undertone of gray, possibly blue, darkened the skin. As nimble as a geriatric cat, crying out with pain, Junior nevertheless sprang onto the deep windowsill and shoved against the twin panes of the window. They were already partly open-but they were also stuck. Crouched on the deep sill, pushing against the parted casement panes of the tall French window, using not just muscle but the entire weight of his body, leaning into them, the maniac tried to force his way out of the bedroom. Although rain-pasted to her skin, the fine hairs rose on the nape of her neck. The gooseflesh crawling across her arms had nothing to do with her cold, wet clothes. "No, that's not necessary," Junior said, trying to sound casual. "Considering what you told me, I'm sure whoever's bothering me here can't be Vanadium. I mean, him being on the run, with plenty of his own troubles, the last thing he'd do is follow me here just to screw with my head a little." She said, "Honey, what I'm wondering is ... could you walk where you don't have bad eyes, like you walked where the rain wasn't ... and leave the tumors in that other place? Could you walk where you have good eyes and come back with them?" "Naomi--she popped out of my oven twenty years ago, not out of yours," Sheena continued in a fierce whisper. "If anyone's suffering here, it's me, not you. Who're you, anyway? Some guy who's been boinking her for a couple years, that's all you are. I'm her mother. You can never know my pain. And if you don't stand with this family to make these wankers pay up big-time, I'll personally cut your balls off while you're sleeping and feed them to my cat." He had experienced considerable self-revelation during the past eighteen hours, but of all the new qualities he had discovered in himself, Junior was most proud of the realization that he was such a profoundly sensitive person. This was an admirable character trait, but it would also be a useful screen behind which to commit whatever ruthless acts were required in this dangerous new life he'd chosen. Maria fished another chip from the sweating carafe, rejected it, and scooped out a larger piece. She hesitated, staring at it for a moment, and then spooned it between Agnes's lips. "Water can be broken if it will be first made into ice." He had been warned about this accuracy issue by the thumbless young thug who delivered the weapon in a bag of Chinese takeout, in Old St. Mary's Church. Junior tended to believe the warning, because he figured the eight-fingered felon might have been deprived of his thumbs as punishment for having forgotten to relay the same or an equally important message to a customer in the past, thus assuring his current conscientious attention to detail. THE CRISP CRACKLE of faux flames, the way they made them in the days of radio dramas, back in the 1930s and '40s, when he was a boy: cellophane. She expected him to be gone, snatched by an accomplice who had come in the back way while Deed had distracted her at the front door. Turning in Celestina's lap, Angel said, "Smell," and held the index finger of her right hand under her mother's nose. When Seraphim's bastard baby was dead, evidence of paternity would die with it-and any claim for child support. Even Vanadium's stubborn, selfish, greedy, grubbing, vicious, psychotic, evil spirit would have to recognize that all hope of bringing Junior down was lost, and it would at last either dissipate in frustration or be reincarnated. "I've already told them," Joey said, wheeling away from her and yanking open the door of the foyer closet with such force that she thought he would tear it off its hinges. Although weak, he was no longer in danger of spewing bile and blood like a harpooned whale. The siege had passed. Junior was free of superstition. He believed in neither gods nor demons, nor in anything between. Barefoot, in midnight-blue silk pajamas, he walked through his rooms turning on lights in a considered pattern, which he had settled upon after much thought and planning. He had come to believe that every well-rounded, self-improved person ought to have a craft at which he excelled, and needlepoint appealed to him more than either pottery-making or decoupage. For pottery, he would require a potter's wheel and a cumbersome kiln; and decoupage was too messy, with all the glue and lacquer. By December, he began his first project: a small pillowcase featuring a geometric border surrounding a quote from Caesar Zedd, "Humility is for losers." Dr. Lipscomb inclined his head slightly toward the pianist, in the manner of a stern headmaster about to emphasize a lesson with a sharp twist of the offending boy's ear. "Miss White and the baby will have vacated these premises by the end of the week-unless you insist on bothering them with your chatter. For every minute you harass them, their departure will be extended one day." "Shape-taking?" The gray pewter appeared to be mottled with a black substance. Perhaps char. As though it had been soiled in a fire. In a magazine article about the hero, passing mention was made of a restaurant where occasionally the great man ate breakfast. Reminding himself that fortune favored the persistent and that he must always look for the bright side, Junior began with the city itself and with those whose surnames were Bartholomew. This was a manageable number. Whether making love or killing, he was never guided by bigotry. A private little joke with himself. But true. Trembling and sweating, he turned his back to the view window. As he retreated from the creche, he expected the oppressive pall of fear to lift, but it grew heavier. She looked surprised, all right, but her expression wasn't the one that Junior had painted on the canvas of his imagination. Her surprise had no delight in it, and she didn't at

once break into a radiant smile..She rushed on: "I'm one of the best waitresses they have, so if I ask for dinner shifts only, I'll get them. Tips are better at dinner. And working the one shift, four and a half to five hours, I'll have a regular schedule." It was hard for him to lie. He thought he was awkward at it because he had no practice. Hound knew better. He knew that magic itself resists untruth. Conjuring, sleight of hand, and false commerce with the dead are counterfeits of magic, glass to the diamond, brass to the gold. They are fraud, and lies flourish in that soil. But the art of magic, though it may be used for false ends, deals with what is real, and the words it works with are the true words. So true wizards find it hard to lie about their art. In their heart they know that their lie, spoken, may change the world..If Junior had not been such a rational man, schooled in logic and reason by the books of Caesar Zedd, he might have snapped there in the street, before the photograph of Seraphim, might have begun to shake and sob and babble until he wound up in a psychiatric ward. But although his trembling knees felt no more supportive than aspic, they didn't dissolve under him. He couldn't breathe for a minute, and his vision darkened at the periphery, and the noise of passing traffic suddenly sounded like the agonized shrieks of people tortured beyond endurance, but he held fast to his wits long enough to realize that the name under the photo, which served as the centerpiece of a poster, read Celestina White in four-inch letters, not Seraphim.. "Possible complications include cerebral hemorrhage, pulmonary edema, kidney failure, necrosis of the liver, coma-to name a few." He slept outdoors rarely and otherwise stayed in inexpensive motels, boardinghouses, and YMCAs..The stump was capped at the end of the internal cuneiform, depriving Junior of everything from the metatarsal to the tip of the toe. He was delighted with this result, because successful reattachment would have been a calamity.. "Another year," Edom said, "and instead of me, Barty can drive the car for you." Now, here, all three on the street and vulnerable at once-the man, Celestina, the bastard boy.. "Miss White," he continued, still facing the window, "not long before you arrived in surgery this morning, your sister died on the table. We hadn't delivered the baby yet, and perhaps couldn't have done so, by cesarean, in time to prevent brain damage, so for both the sake of the mother and child, heroic efforts were made to bring Phimie back and ensure continued circulation to the fetus until we could extract it." The moment that the roof of the car vanished beneath the water, Junior hurried away, retracing on foot the route he had driven. He didn't have to go all the way back to Vanadium's place, only to the dark house where he'd left Victoria Bressler. He had a date with a dead woman..Increasingly, he used meditation to relieve stress. He was so skilled at concentrative meditation without seed-blanking his mind-that half an hour of it was as refreshing as a night's sleep..Tuesday morning, while he showered with a swimming cockroach that was as exuberant as a golden retriever in the motel's lukewarm water, Junior vowed never to kill again. Except in self-defense.. "By the close of business tomorrow," said the lawyer, "I expect to have an offer for your consideration." Sometimes he thought he walked for Perri, using the steps she had stored up and never taken, giving expression to her unfulfilled yearning to travel. At other times, he thought he walked for the solitude that allowed him to remember their life in fine detail-or to forget. To find peace--or seek adventure. To gain understanding through contemplation---or to scrub all thought from his mind. To see the world or to be rid of it. Perhaps he hoped that coyotes would stalk him through a bleak twilight or a mountain lion set upon him on a hungry dawn, or a drunk driver run him down..When her hand went limp in Celestina's, her body sagged, too, and her eyes were no longer either focused or rolling wildly. They shimmered into stillness, darkled with death, as the cardiac monitor sang the one long note that signified flatline..Agnes's suspicion that Barty would be a child prodigy had grown from seed to full fruit on the morning of the boy's first birthday, when he'd sat in his highchair, counting green-grape-and-apple pies. Through the following two years, ample proof of high intelligence and wondrous talents ripened Agnes's suspicion into conviction..Blue fire flashed across the top of the range and followed drips down the baked-enamel front to the floor. Blue flared to yellow, and the yellow darkened when the blaze found the cadaver..HAVING COMPLETED HER English lesson, Maria Elena Gonzalez went home with a plastic shopping bag full of precisely damaged clothes and a smaller, paper bag containing cherry muffins for her two girls..He had difficulty picturing the detective pattering in the garden on weekends. Unless there were bodies buried under the roses.. "Mr. Cain, if he bothers you, would you want me to have his choke chain yanked?" He phoned her before leaving, to be sure she was home. She didn't work weekend shifts at the hospital; but maybe she would have gone out on this night off. When she answered, he recognized her seductive voice-and devilishly muttered, "Wrong number." "Tom," Kathleen said, "I know why you became a cop, I guess. St. Anselmo's Orphanage ... the murders of those children." The apartment had been furnished with only two padded folding chairs and a bare mattress in the living room. The mattress was on the floor, without benefit of a bed frame or box springs..Nevertheless, he stepped away from the wall, and with his hands extended to full arm's length, he turned, feeling the lightless world around him. Nothing. No one.. "No," Otter said, and hesitated. He felt he owed this man an explanation. "See, it's not so much won't as can't. I thought of making plugs in the planking of that galley, near the keel-you know what I mean by plugs? They'd work out as the timbers work when she gets in a heavy sea." Hound nodded. "But I couldn't do it. I'm a shipbuilder. I can't build a ship to sink. With the men aboard her. My hands wouldn't do it. So I did what I could. I made her go her own way. Not his way." So burning with anger was he that his car, by direct thermal transmission from his hands upon the wheel, should have been glowing cherry red in the January night, should have been scorching tunnels of clear dry air through the cold fog. Rancor, virulence, acrimony, vehemence: All words learned for the purpose of self-improvement were useless to him now, because none adequately conveyed the merest minimum of his anger, which swelled as vast and molten as the sun, far more formidable than his assiduously enhanced vocabulary.. "There's a valuable lesson in that," Agnes said. "Others can learn from it if you care to share. But if you want to record your life only up to the card cheating, that's okay, too. Even that far, it's a fascinating journey, a story that shouldn't be lost with you when you pass on. Libraries are packed with biographies of movie stars and politicians' most of them not capable of as much meaningful self-analysis as you'd get from a toad. We don't need to know more about celebrities' lives, Obadiah. What might help us, what might even save us, is knowing more about the lives of real people who've never made it even medium but who know where they came from and why." As quick as a snake strikes, Vanadium was much closer to the bed than he had been when he tossed the coin, at Junior's side now, leaning over the railing. "Naomi was six weeks pregnant." Hound told his master that they had the hexer in a safe place, and Losen said, "Who was he working for?" The symptoms that terrified Phimie-the headache, crippling abdominal pain, dizziness, vision problems-had entirely relented. Possibly they had been more psychological than physical in nature..This was a good night for television. To Tell the Truth at seven-thirty, followed by I've Got a Secret, The Lucy Show, and The Andy Griffith Show. The new Lucy wasn't quite as good as the old show; Paul and Perri missed Desi Arnaz and William Frawley..He was uncharacteristically restive. His stoic nature, his long learned Jesuit philosophy regarding the acceptance of events as they unfold, and the acquired patience of a homicide

detective were insufficient to prevent frustration from taking root in him. In the more than two months since Enoch Cain vanished, following the murder of Reverend White, no trace of the killer had been found. Week by week, the slender sapling of frustration had grown into a tree and then into a forest, until Tom began every morning by looking out through the tightly woven branches of impatience..Aware of the dangers of dehydration, he drank a bottle of water and put two half-gallon containers of Gatorade in the Suburban..Suddenly remembering the doctor's assurance to Neddy that they would be out of this building by week's end, Celestina said, "But we've nowhere to go."Perhaps the paramedic had given him an injection, a sedative. the howling ambulance rocked along on this most momentous day, Junior Cain wept profoundly but quietly--and achieved temporary peace in a dreamless sleep.."Less than a year and a half ago, Hurricane Flora--she killed over six thousand in the Caribbean."One of the hardest things that she had ever done was to leave him then, alone in his room, with the hateful something still quietly growing in his eye. She wanted to move the armchair close to his bed and watch over him throughout the night..Turning around in his seat, watching with amusement as Celestina fumbled nervously with the currency, the cabbie said, "You're not scared, not you. Sitting back there so silent most all the way, you weren't thinking about being famous. You were thinking about that girl of yours."Kathleen Klerkle, Mrs. Wulfstan, sitting on the edge of Nolly's desk, looked diagonally across it at the visitor in the client's chair. Actually, Nolly had two chairs for clients. Kathleen could have sat in the second; however, this seemed to be a more appropriate pose for a hawkshaw's dame. Not that she was trying to look cheap; she was thinking Myrna Loy as Nora Charles in The Thin Man-worldly but elegant, tough but amused..The friendship, the work, and not least of all the sense of home and belonging that everyone felt within minutes of crossing Agnes's threshold-these things appealed to Celestina and Grace. But they didn't want Paul to feel that his hospitality was unappreciated..Barty wore elfin-size, knitted blue pajamas complete with feet, white rickrack at the cuffs and neckline, and a matching cap. His white blanket was decorated with blue and yellow bunnies.."September 27, 1962. Barcelona, Spain. A flood killed four hundred forty-five people."Now that Tom knew what to look for, the gloom couldn't conceal the incredible truth.."And after Phimie was gone ... he still hoped to learn the rapist's name, put him in prison. But then something changed his mind ... oh, maybe two years ago. Suddenly, he wanted to let it go, leave judgment to God. He said if the rapist was as twisted as Phimie claimed, then Angel and I might be in danger if we ever learned a name and went to the police. Don't stir a hornet's nest, let sleeping dogs he, and all that. I don't know what changed his mind."
