Neither Agnes nor Edom knew of Jacob's great skill with cards. He had been discreet about his apprenticeship with Obadiah, and for almost twenty years, he'd resisted the urge to dazzle his siblings with his expertise..Holding the mug in his right hand, Tom picked up the coin and rolled it across the knuckles of his left. Paul's quarter, after all. A two-bit temptation to panic. As gifted with physical grace as with good looks, Junior stepped into the bedroom doorway, lithely and with feline stealth. He leaned against the jamb..Also in the drawer was a pistol that he kept for home defense. He stared at it, trying to decide whether to go downstairs and make a sandwich or kill himself..To the open casement window, into the men's room. Still seething with rage. Angrily cranking shut the twin panes while lazy tongues of fog licked through the narrowing gap..Agnes remained mystified by this talk, but a week before, in the rain-swept cemetery, she had learned there was

substance to it."August, 1931. Along the Huang He River in China. Three million seven hundred thousand people died in a great flood," Edom said..When she discovered she was pregnant, Phimie dealt with this new trauma as other naive fifteen-year-olds had done before her: She sought to avoid the scorn and the reproach that she imagined would be heaped upon her for having failed to reveal the rape at the time it occurred. With no serious thought to long-term consequences, focused solely on the looming moment, in a state of denial, she made plans to conceal her condition as long as possible..Too much clatter, drawing attention. No leisure for romance now, no chance for a two-sister score. just kill Celestina, kill Bartholomew, and go, go..Maria gathered up the four jacks and tore them in thirds. She put the twelve pieces in the breast pocket of her blouse. "I buy to you new cards, but no more ever can you to be having these."WALLY HAD NOT gone home with Death, but they had definitely been at the dance together.."I don't like the old crazy doctor," she said, still drawing. "I wish it was about bunnies on vacation-or maybe a toad learns to drive a car and has adventures."..The reverend said, "I'm sure you underestimate my parishioners, Celestina. They won't be scandalized. They'll open their hearts."..Agnes had struggled recently to find a way to explain to Barty that his uncles had lost their hope, to convey also what it meant to live without hope-and somehow to tell the boy all this without burdening him, at such a young age, with the details of what his monstrous grandfather, Agnes's father, had done to her and to her brothers. The task was beyond her abilities. The fact that Barty was a prodigy six times over didn't make his mother's work easier, because in order to understand her, he would require experience and emotional maturity, not just intellect..Instead, he sat in the breakfast nook with his phone books and resumed the grueling search for Bartholomew..Nothing in his reading offered a satisfactory explanation for what had been happening to him. None of the women filled the hole in his heart, and all of the Bartholomews were harmless. Only the needlepoint offered any satisfaction, but though Junior was proud of his craftsmanship, he knew that a grown man couldn't find fulfillment in stitchery alone..During the past few years, he had discovered that a lousy few million could buy even more freedom than he had thought when he'd shoved Naomi off the fire tower. Great wealth, fifty or a hundred million, would purchase not only greater freedom, and not just the ability to pursue even more ambitious self-improvement, but also power..This baffled Junior. To the best of his recollection, during the weeks that Seraphim had come to him for physical therapy, she had never mentioned an older sister or any sister at all.."September 13, 1928. Lake Okeechobee, Florida. Two thousand people died in a flood."..During the past three years, he'd suffered much because of these sisters, including most recently the humiliation in the Dumpster with the dead musician, Celestina's pencil-necked friend with a propensity for postmortem licking. The memory of that horror flared so vividly-every grotesque detail condensed into one intense and devastating flash of recollection-that Junior's bladder suddenly felt swollen and full, although he had taken a long satisfying leak in an alleyway across the street from the restaurant at which the postcard-painting poseur had enjoyed a leisurely dinner with Ichabod..A stab of horror punctured Celestina as she failed to repress a mental image of a carnival-sideshow monster, half dragon and half insect, coiled in her sister's womb. She hated the rapist's child but was appalled by her hatred, for the baby was blameless..In his mind's eye, he saw the answering machine with uncanny clarity. That curious gadget. Sitting atop the scarred pine desk..Rising from his chair and rolling down his shirt-sleeves, Nolly said, "If you'll be our guest for dinner, I suspect we'll all have a fascinating evenings."..He hadn't paid close attention to those patrons seated at the bar behind him. Now, he turned in his chair to study them..Friday brought Scamp again, all of Scamp, all day, every way, wall-to-wall Scamp, so on Saturday he hadn't enough energy to do more than shower..Eventually she discovered within herself all the light that she needed to find her way through the crucial hours immediately ahead. At last she knew what she must do, but she was not certain that she possessed the fortitude to do it..After nudging the door shut with his shoulder, Barty carried the sodas out of the kitchen and forward along the hall. Pausing at the livingroom archway, he said, "Uncle Jacob?"..of drool. Her eyes rolled, wild with fear, and seemed not to be focused on anything..he had sat here with a pencil, making shopping lists. Now, instead of a pencil, there was the Italian-made .22 pistol..Meanwhile, he became an accomplished meditator. Guided by Bob Chicane, Junior progressed from concentrative meditation with seed the mental image of a bowling pin-to meditation without seed. This advanced form is far more difficult, because nothing is visualized, and the purpose is to concentrate on making the mind utterly blank..Young boys, however, are not moved by scenery, especially not when their hearts are adventuring on Mars..Her fear, Agnes suddenly realized, arose from her father's often expressed conviction that an attempt to excel at anything was a sin that would one day be grievously punished. All forms of amusement were sinful, by his way of thinking, and all those who sought even the simplest entertainment were lost souls; however, those who desired to amuse others were the worse sinners, because they were overflowing with pride, striving to shine, eager to make themselves into false gods, to be praised and adored as only God should be adored. Actors, musicians, singers, novelists were doomed to hell by the very acts of creation which, in their egomania, they saw as the equal of their Creator's work. Striving to excel at anything, in fact, was a sign of corruption in the soul, whether one wanted to be recognized as a superior carpenter or car mechanic, or a grower of prize roses. Talent, in her father's view, was not a gift from God, but from the devil, meant to distract us from prayer, penitence, and duty..She twisted her sweat-drenched face in what might have been frustration, closed her.."Loved her? Of course I loved her. Naomi was beautiful and so kind ... and funny. She was the best ... the best thing that ever happened to me.".."Better hurry," Wally advised, gracing Celestina's other cheek with a dryer kiss..Sometimes, while shaving or combing his hair, as he was looking in the bathroom or foyer mirror, Junior thought that he glimpsed a presence, dark and vaporous, less substantial than smoke, standing or moving behind him. At other times, this entity seemed to be within the mirror. He couldn't focus on it, study it, because the moment he became aware of the presence, it was gone..From Sparky, Tom Vanadium had borrowed a master key with which he could open the door to Cain's apartment, but he preferred not to employ it as long as he could enter by a back route. The less often he used the halls that were frequented by residents, the more likely he would be able to keep his flesh-and-blood presence a secret from Cain and sustain his ghostly reputation. If too many tenants got a look at his memorable face, he would become a topic of discussion among neighbors, and the wife killer might tumble to the truth..He might not have this future-living thing down perfectly, but he was absolutely terrific at anger.."Your father denies the rape ever occurred, apparently out of what I'd call a misguided willingness to trust in divine justice."..He could have killed someone named Henry or Larry, without risk of creating a Bartholomew pattern that would prickle like a pungent scent in the hound-dog nostrils of Bay Area homicide detectives. But he restrained himself..He'd wanted to give Celestina more help than she would accept. She continued working nights as a waitress for two years, while she completed classes at the Academy of Art College, and she quit her job only when she began to sell her paintings for enough to equal her wages and gratuities..Junior was disturbed that the mysterious chanteuse had been performing when he wasn't

home. He felt violated. Invaded..She shook her head, and red bows fluttered. "No. 'Cause you didn't just move it around." At 3:31 A.M., even the early-winter dawn wasn't near, yet Junior was too awake to return to bed. Though sweet, though melancholy, never ominous, the ghostly singing had left him feeling ... threatened. He considered taking a shower and getting an early start on the day. But he kept remembering Psycho: Anthony Perkins dressed in women's clothes and wielding a butcher knife..LEFT HAND ON the banister, right hand with knife tucked close to his side and ready to thrust, Tom Vanadium climbed cautiously but quickly to the upper floor, glancing back twice to be sure that Cain didn't slip in behind him..After his conversation with Magusson, however, Junior realized this fear was irrational. If the detective had miraculously escaped the cold waters of the lake, he would have been in need of emergency medical treatment. He would have staggered or crawled to the county highway in search of help, unaware that Junior had framed him for Victoria's murder, too badly wounded to care about anything but getting medical attention..Smiling in the fearless dark, she listened to the rhythmic breathing of a sleeping boy..All three of these sorry excuses for human beings were money mad. Rudy owned six successful used-car dealerships and--his pride--a Ford franchise selling new and used vehicles, in five Oregon communities, but he liked to live large; he also visited Vegas four times a year, pouring money away as casually as he might empty his bladder. Sheena enjoyed Vegas, too, and was a fiend for shopping. Kaitlin liked men, pretty ones, but since she might be mistaken for her father in a dimly lighted room, her hunks came at a price..Their station wagon stood along the service road, at least a hundred yards from the grave. With no wind to harry it, the rain fell as plumb straight as the strands of beaded curtains, and beyond these pearly veils, the car appeared to be a shimmering dark mirage..Struggling to keep a grip on consciousness, Junior told himself to focus on the future, to live in the future, free of the useless past and the difficult present, but he could not get into the future far enough to be in a time when the pain was no longer with him.."I don't want an attorney." He closed his eyes, lowered his head to the pillow, and sighed. "I just want ... peace." IN HIS FORD VAN filled with needlepoint and Sklent and Zedd, Junior Cain-Pinchbeck to the world-left the Bay Area by a back door. He took State Highway 24 to Walnut Creek, which might or might not have walnuts, but which offered a mountain and a state park named for the devil: Mount Diablo. State Highway 4 to Antioch brought him to a crossing of the river delta west of Bethel Island. Bethel, for those who had taken good advanced courses in vocabulary improvement, meant "sacred place." Later, weak and shaken, as he was packing his suitcase, the urge overcame him again. He was astonished to discover that anything could be left in his intestinal tract..Junior had walked along the big show windows, studying the two White paintings displayed to passersby, appalled by their beauty, when suddenly the door had opened and a gallery employee had invited him to come in. No printed invitation needed, no cool test to pass, no bouncers keeping the gate. Such easy accessibility served as proof, if you needed it, that this was not real art..This morning, Damascus had left the house early, before Vanadium came downstairs, which was perfect for Junior's purposes. While the maniac cop was finishing his shave and shower, Junior crept upstairs to check his room. He discovered the revolver in the second of the three places that he expected it to be, did his work, and returned the weapon to the nightstand drawer in precisely the position that he had found it. Narrowly avoiding an encounter with Vanadium in the hall, he retreated to the ground floor. After some fussing over the most effective placement, he left the quarter and the luggage--just as Vanadium, the human stump, clumped down the stairs. Junior experienced an unexpected delay when the detective spent half an hour making phone calls from the study, but then Vanadium went into the kitchen, allowing him to slip out of the house and complete his work.."Pie, pie, pie, pie, pie, pie, pie, pie," Barty repeated in the same tone of self-satisfied delight that he used when announcing "Barty potty." In a magazine article about the hero, passing mention was made of a restaurant where occasionally the great man ate breakfast..They were dining by candlelight. Vanilla-scented bougies stood on the sideboard, across the room, glimmering in glass chimneys, but Barty pointed instead to five squat red candles distributed through the centerpiece of pine sprays and white carnations..If Junior had realized that they were driving only a block and a half, he wouldn't have followed them in the Mercedes. He would have gone the rest of the way on foot. When he pulled to the curb again, a few car lengths behind the Buick, he wondered if he had been spotted..Packed full of aftermath, the movie was too violent for Junior's taste. He had wanted to meet at a showing of Doctor Dolittle or The Graduate. But Google, as paranoid as a lab rat after half a lifetime of electroshock experiments, insisted on choosing the theater..Neddy possessed all the musical talent, but Junior had the muscle. Pinned against the wall, his throat in the vise of Junior's hands, Neddy needed a miracle if he were ever again to sweep another glissando from a keyboard..Two high-quality deadbolt locks. Sufficient protection against the average intruder, but inadequate to keep out a self-improved man with channeled anger..Most likely, Reverend White's ramblings were as greasy with sentiment and oily with irrational optimism as were his daughter's paintings, so Junior was in no hurry to learn the name of the radio program or to write for a transcript of the sermon..Like a spring-loaded novelty snake erupting from a can, Junior exploded up from the chair, nearly knocking it over..Too rattled to want lunch at the St. Francis Hotel or anywhere else, Junior returned to his apartment..Although he considered tearing up the letter and throwing it away he knew that his perceptions were clouded by grief and that what he'd written might seem fine if he reviewed it in a less dark state of mind. He returned the letter to the envelope and put it in the drawer of his nightstand..He snatched the woman's car keys off the pavement, slid behind the wheel of the Pontiac, and drove off to find a pharmacy, the only stop that he intended to make until he reached Spruce Hills.
